about **NW Momentum Health Partners (NWMHP)**

The Next Generation ACO Model was launched in 2016 by the Centers for Medicare & Medicaid Services. The Model allows NWMHP to set predictable financial targets, enables providers and beneficiaries' greater opportunities to coordinate care, and aims to attain the highest quality standards of care.

NWMHP is a network of doctors, hospital and other providers who have teamed up to promote integrated healthcare. Our goal is to create a healthcare delivery system that delivers personal care and drive better outcomes at a lower cost.
