INFORMATIONAL NOTICE: NO ACTION NEEDED

Dear [BENEFICIARY FULL NAME],

We are writing to inform you that NW Momentum Health Partners (NWMHP) ACO's participation in the Next Generation ACO Model will end effective December 31, 2021. This also means that your doctor's participation in the Next Generation ACO Model will end. Your doctor remains committed to providing you high quality care. **There will be zero impact to your Medicare benefits.**

Your benefits are not changing

- You can still go to any doctor, hospital, or other provider that accepts Medicare. Nobody can restrict which providers you see.
- You're still in Original Medicare.
- You're still entitled to all the same Medicare services, benefits, and protections.

What may change

Services provided by NWMHP ACO will no longer be available after December 31, 2021. This includes:

- Transportation services
- Meal support and/or pet food support
- Chronic disease management rewards
- Non-Medicare covered durable medical equipment
- Admission to a skilled nursing facility when you have not had a three-day hospital stay.
